## PRESIDENT'S REPORT.

BELOVED BRETHREN :—The Lord has mercifully spared us through the labor and toil of another Synodical year, and now we are met, once more to exchange salutations, and transact such business as shall advance the Redeemer's kingdom on earth.

During the year which has so swiftly glided away, we have had many happy and delightful seasons, as well as many painful and distressing trials, which are calculated to awaken sorrowful reflections in our memories.

But we have great reason for thankfulness, notwithstanding the cold hand of death has invaded some of our families, it has pleased God to spare our ministerial ranks unbroken. The pleasure of the Lord has graciously rested upon our Zion, for he is supplying the waste and destitute places within our Synodical bounds with faithful ministers, and greatly blessing their labors with the outpouring of his Spirit.

The great work of God's Spirit is going forward in our midst; Congregations and Sabbath Schools have been organized, family altars established, Churches built, and in many places the Lord has greatly revived his people, and sinners have been converted to God.

We can truly say, the cloud of the Covenant of the Lord moved onward, and thanks be to God, the Church followed and extended her borders far into the wilderness.

In view of the multiplied blessings of our Heavenly Father, so bountifully bestowed upon us, let us render thanksgivings and praise unto him, and say, "how great is thy goodness, which thou hast wrought for them that trust in thee."

In accordance with our usual custom, and the requirement of the Constitution, I will now submit to this Body a report of all my official acts during the past year.

## PASTORAL CHANGES.

Immediately after the close of our Synod last fall, I extended a certificate of honorable dismissal (in accordance with an act of the Ministerium), to Rev. George Walker, with a view of uniting with the Wittenberg Synod, of Ohio.

Dec. 1, 1858, I received a letter from Rev. C. Jones, a licentiate of this Synod, informing me that he had accepted a call from the Mooresville Charge—that he found it in a very scattered condition, but few members left—hoped, however, to be able to give a more favorable report hereafter.

Dec. 14, 1858, I received a letter from Brother Cather, stating that he had received and accepted a call from the Union Charge, and requested an application to be made to the Home Missionary Society for aid. In answer to which, I referred him to the action of Synod relative to said Charge, and advised first an amicable adjustment of said congregational affairs.

April 28, 1859, I received a letter of Rev. P. S. Nellis, stating that he had received and accepted a call from the North Manchester Charge, in Wabash county, and intended to procure his dismissal from the Alleghany Synod, with a view of uniting with this Synod.

June 16, 1859, I received a letter from the Rev. F. Biddle, a licentiate of this Synod, from which I learned that he had located in Van Wert county, Ohio, and was preaching to eight small congregations, at a very small salary; but with encouraging prospects of usefulness. He also requested advice in reference to certain difficulties in one of his congregations, which was given in due time.

## MISCELLANEOUS.

Nov. 27, 1858, Rev. J. G. Biddle gave me a full statement of the difficulties existing in the Union congregation, relative to which he asked and received proper advice.

Dec. 20, 1858, a communication was received from this same Brother, requesting an application to be made to the Home Missionary Society for aid, which was accordingly done.

On the 29th of April, 1859, I received a communication from the Rev. J. M. Ditzler, of Womelsdorf, Berks county, Pennsylvania, in which he informed me that he had a desire to come west, and wished to know if there were any good openings in the bounds of our Synod, where there was more German than English preaching required. His letter was answered and a suitable field recommended to his attention.

On the 5th of May, 1859, Rev. S. P. Snyder, of the Camden Charge, reported said Charge to be in a very flourishing condition—that they were engaged in the erection of two new houses of worship, this summer. He also spoke of the disposition which our Synod made of his certificate of dismissal from the "Synod of northern Illinois," as unintelligible to him, and being unacquainted with our customs, &c., desired to know what more he must do to become a member of our Synod. The matter being properly explained, Brother Snyder wrote again on the 27th of May, and requested to be received into our Synodical connection, and having fully complied with the resolution of Synod, on page 14 of our last Minutes, I answered his letter, and cordially received him as a member of this Body.

July 1, 1859, Rev. D. Sparks, of Rumley, Ohio, wrote, requesting me to make appointments for him in the Plymouth charge, with a view of locating in said charge. His request was granted, and the appointments made.

July 15. Rev. C. Jones reports very encouraging success in his field of labor. He has added 29 members, and is building a church at a cost of about 1,000 dollars. He also wished to be advised in reference to his charge uniting with our synod, which advice was accordingly communicated.

On the same day I also received a letter from Rev. P. S. Nellis, enclosing his honorable dismissal from the President of the Allegheny Synod, with a request to be received into our Synod. His letter was acknowledged, and his request granted.

On the 29th of July, 1859, our esteemed brother, A. H. Scherer, reports that amidst great sacrifices and self-denials, the Lord is still blessing his labors. We rejoice with him in his success, but sincerely sympathise with him in his destitution for want of an adequate support.

August 15, 1859, I received a letter from Rev. B. F. Hills, from which I learn, with great satisfaction, that he has labored with encouraging success during this year. He reports several new organizations, and large accessions to the Church.

September 2, 1859, I received a letter from brother H. Wells, in which he reports very encouraging from part of his charge, and that while he has suffered much by removals of some of his best members, the Lord has still greatly blessed his labors, by adding many to the Church of such as, we trust, shall finally be saved.

#### CONSECRATIONS.

1. On the 3d of October, 1858, the "Salem Evangelical Lutheran Church," in Springfield township, Allen county, Indiana, was solemnly consecrated to the service of Almighty God. This Church is in Rev. Wm. Waltman's charge.

2. The "Rehoboth," Evangelical Lutheran Church, in Noble county Indiana, in the charge of Rev. R. F. DeLo, was dedicated to God on the 10th of June, 1859.

3. The newly erected Lutheran Church at Peeksburg, under the Pastoral care of Rev. C. Jones, was dedicated to God on the 7th of August, 1859.

4. On the 4th of September, 1859, St. Luke's Evangelical Lutheran Church, in Carrol county, Indiana, in brother Snyder's charge, was dedicated to the service of God.

#### ORGANIZATIONS.

On the 29th of November, 1858, the President organized a congregation in Logansport, Cass county, Indiana, with eighteen members, which now numbers upwards of forty. Other congregations have been organized, but have not been officially reported.

#### SUGGESTIONS.

1. The President would recommend that a committee be appointed to revise and amend the Preamble and Constitution of this Synod, and report such amendments as they may deem necessary at our next annual meeting.

2. That in accordance with Article 6, section 1, of our constitution, a Prudential Committee, consisting of three ordained ministers, be appoint-

ed, who shall attend to such duties as the President shall assign them in the interim of Synod.

3. The President would also recommend that this Synod and ministerium be more rigid in future in requiring a higher grade of moral, religious, and intellectual qualification as a pre-requisite to the ministerial office, inasmuch as the time has come when the Church and the world require a well educated, pious and devoted ministry.

4. It is also recommended that a by-law be passed investing the President with full power to license proper candidates for the ministry during the interims of Synod.

5. That this Synod, in view of the paucity of ministers, and the hopeless expectation of securing them from our eastern institutions, should make use of some untried means to raise up and qualify men at home for the ministry, to fill up the great moral and spiritual distitution within the limits of our state.

I will now close my report, and in retiring from office, I return thanks to the brethren for the confidence reposed in me, and their kind forbearance and assistance during my term of office. "Now the God of peace that brought again from the dead our Lord Jesus, that great shepherd of the sheep, through the blood of the everlasting covenant, make you perfect in every good work to do his will, working in you that which is well pleasing in his sight, through Jesus Christ, to whom be glory forever and ever. Amen." Heb. 13: 20, 21.

D. SMITH.

The President's report was now received and referred to a committee, and Synod proceeded to elect its officers for the next year, which resulted as follows:

Rev. D. SMITH, of Logansport, President.

Rev. H. WELLS, of Columbia City, Secretary, and

Rev. W. WALTMAN, of Spencerville, Treasurer.

Rev. F. F. Friedgen, of Rochester, Indiana, was received as an advisory member.

Rev. W. G. Harter, delegate from the Kentucky Synod, was received and invited to participate in the deliberations of this body.

Rev. J. C. Medsker, of the M. E. Church, was introduced and cordially received as an advisory member of Synod.

The minutes of the proceedings of the last convention of this body were referred to the brethren Delo, Scherer, and Ulrick, to examine and report the unfinished business.

The documents and papers designed for Synod were called for, and prepared for distribution among the appropriate committees, which were now appointed.

#### REPORT OF SPECIAL COMMITTEE.

The following report was made by the Committee on Unfinished Business :

Your Committee, appointed to report on the Minutes of last Synod, would respectfully direct attention to the following items:

#### REPORT OF THE DELEGATES TO THE GENERAL SYNOD.

Your Delegates attended the Nineteenth Convention of the General Synod of the Evangelical Lutheran Church, which assembled in Pittsburg, Pennsylvania, and which Convention continued from the 19th to the 26th of May, 1859, when it adjourned to meet in Lancaster, Pennsylvania, on the third Thursday of May, 1861. The Convention was the largest ever held by that great Body, and the discussions and deliberations were exceedingly interesting. The different opinions held by the distinguished men of the Church were discussed with characteristic ability, fearless independence and Christian forbearance. It is very pleasant and profitable to see Brethren thus convened from every part of our great country, engaged in united devotions and conference, laboring together to extend the Redeemer's Kingdom, and promote the best interests of the Church of the glorious Reformation of the 16th century. Your Synod may well rejoice that it is her happy privilege to be a component part of that distinguished Fraternity. May Heaven sanctify and extend the influence of the General Synod, and pour the refreshing showers of His grace upon every District Synod and congregation in the wide-spread bounds of our Lutheran Zion.

As the published proceedings of the last Convention of said Synod are already circulated among our people, your delegates deem it unnecessary to report further, and herewith express their gratitude to your honorable Body for appointing them to the desirable position of representing your Synod in that Convention.

HUGH WELLS,  
D. SMITH.  
J. PEPPEL.  
S. CORNELL.

The names of the Delegates to Sister Synods and other Ecclesiastical Bodies were called, and satisfactory responses made; said delegates having attended to their duties, except in a few cases, where proper excuses were given.

#### REPORT OF COMMITTEE NO. 10.

Committee No. 10 presented the following report, which was received and adopted:

Committee No. 10 respectfully report that the documents placed in its hands are: 1st. The Minutes of the Sixth Annual Convention of the Evangelical Lutheran Synod of Kentucky, held at Grandview, Spencer County, Indiana, April 29, 1859. The present officers are—

Rev. P. Glenn, President.  
Rev. W. G. Harter, Recording Secretary.  
Rev. J. G. Harris, Treasurer.

It is composed of eight ordained Ministers, and one Licentiate, who have under their Pastoral care seventeen congregations, and eight hundred and twenty-two Communicants. Rev. W. G. Harter was elected delegate to this body, who has appeared in our midst, and has been cordially received and invited to participate with us in our present deliberations. Your com-

mittee find nothing special in these Minutes claiming the action of this Synod, but would recommend a continuation of the present fraternal feelings between us as Synods, by the appointment of a delegate from this body to attend their next annual convention.

2d. Is the first catalogue of the Evangelical Lutheran Missionary Institute, in Selinsgrove, Penn., of 1858-59. From this catalogue we learn that the present Faculty of this Institution of learning consists of Rev. B. Kuntz, D. D., LL. D.; Rev. H. Ziegler, M. C.; and Rev. S. Domer, M. A., of the Theological Department; and Messrs. T. Weaver, M. A.; P. R. Wagenseller, M. C., M. D.; Wm. Nœtling, B. C., C. E.; and C. C. Bombaugh, M. A., M. D., of the Collegiate Department. The whole number of students under instruction during the year past was 133, of which number 26 were in the Theological Department. The whole internal regulation of this institution is in the highest sense moral and religious and well adapted under its efficient managers to accomplish the high and glorious ends for which it was originated and founded. Your committee greatly rejoice in the establishment of such an institution in our Zion, and thank God for the unparalleled prosperity which it has enjoyed during its short existence. They are fully persuaded that by the blessing of God this school of the Prophets will prove one of the great and effectual means of supplying our scattered and destitute people with a faithful and well qualified Ministry. May the Great Head of the church preside over this promising institution, and make it a blessing to the world; and the streams which shall issue therefrom, make glad the City of our God.

Your Committee, in view of the paucity of Ministers in our bounds, would suggest to this Synod the propriety of taking into consideration the establishment of a similar institution in our midst, in which pious men, irrespective of age or family ties, may become qualified for entering the Gospel Ministry, and thereby supply our people with pious and Godly Pastors.

Respectfully submitted.

S. P. SNYDER,  
B. KIEM,  
DAVID REITZEL.

Upon the subject of educating men for the Ministry, there was a very interesting discussion, and intense feeling.

The following resolution was adopted:

Brethren Wells, Snyder, Delo, M. Plank, and John Helwig were appointed said committee.

Rev. C. Caskey having arrived, and stated his reasons for not having been in the convention at an earlier hour, was excused.

#### REPORT OF PUBLISHING COMMITTEE.

The report of the Publishing Committee was received and adopted:

Your Committee, who was appointed to superintend the publication of six hundred copies of the written proceedings of your last convention, has performed that duty.

## REPORT OF COMMITTEE NO. 4.

Committee No. 4 presented the following report, which was received and adopted:

Your Committee, No. 4, beg leave to report upon the Minutes of the German Evangelical Lutheran Synod of Pennsylvania, the East Synod of Ohio, and the Alleghany Synod.

1. The Synod of Pennsylvania held its session in St. Paul's Church, during Trinity week, June 7-11, A. D. 1857.

Rev. C. F. Welden, President.

J. T. Vogebach, Secretary.

C. W. Schaeffer, D. D., Treasurer.

This is a very large body, numbering over eighty ministers, and being engaged in Home and Foreign Missions—the Education and Church Extension cause, have done much to establish the Redeemer's Kingdom in distant heathen lands, as well as in this country.

2. The East Synod of Ohio convened in Navarre, Stark county, Ohio, October 7th, 1858. It numbers twenty-five Ordained Ministers, and eight Licentiates. Its officers are—

Rev. W. A. G. Emerson, President.

J. B. Baltzly, Cor. Secretary.

T. Hill, Rec. Secretary.

S. Seachrist, Treasurer.

These Brethren are also engaged in Domestic and Foreign Missions, and beneficiary education.

Unfortunately, they as well as other Synods, have to mourn over disappointment in some who have been educated by the charity of the Church. Synods and Theological Faculties, therefore, cannot be too guarded in receiving untried men upon the benevolence of the Church, and in the language of their Executive Committee, we say, "This should teach us to be wise in the choice of applicants for beneficiary aid."

This Synod lends its support to the African Mission Institute, under the superintendance of Rev. M. Officer, an enterprise well deserving the Christian sympathy and cordial aid and support of all our Synods and Churches.

3. The Minutes of the Alleghany Synod, which held its last session in Bedford, Bedford county, Pennsylvania, October 14-18th, 1858, show that these Brethren are likewise alive to the interests of the Church, and untiring in their calling. The officers of this Synod are—

Rev. C. Witmer, President.

A. H. Aughe, Secretary.

P. Sheeder, Treasurer.

Whole No. of Ministers . . . . . 36

The Lord bless all these Brethren—make them still more abundantly

useful in winning souls to Christ, and finally bring them with their charges to glory everlasting. Respectfully submitted.

WM. G. HARTER,  
JAS. WORDEN,  
JOHN HELWIG.

### TREASURER'S REPORT.

The Treasurer presented his report, which was referred to the Brethren Plank and Keim, who were appointed the auditing committee, and reported that the following is correct.

W. Waltman, Treasurer, in account with the Evangelical Lutheran Synod of Northern Indiana.

### REPORT OF COMMITTEE NO. 9.

Committee No. 9 reported the following, which was received and adopted:

Committee No. 9 would report, that the papers placed in their hands, were the Constitutions of three Evangelical Lutheran Churches, with their applications to be attached to this Synod.

No. 1 is the Constitution of the Salem Evangelical Lutheran Church, of Green, Green township, Madison county, Indiana.

No. 2 is the Constitution and By-Laws of the Horeb Lutheran Church of Wells county, Indiana.

No. 3 is the Constitution and By-Laws of the St. Paul's Lutheran Church, of Wells county, Indiana.

Your Committee have examined these documents, and would recommend that their requests be granted them, and they be received.

Submitted.

B. F. HILLS,  
DAVID KEITZEL,  
M. PLANK.

In addition to Salem, of Madison, and Horeb and St. Paul's, of Wells county, the following Churches were likewise received, and requested to send their Constitutions for inspection and approval, to Synod, at its next Convention.

New York and St. John's, of Steuben county, Indiana.

Waterloo, of De Kalb county, Indiana.

Pipe Creek and St. Paul's, of Miami county, Indiana.

Grove, of Vanwert county, Ohio.

### REPORT OF COMMITTEE NO. 5.

Committee No. 5 reported as follows, which was adopted:

Committee No. 5 would report, that the documents placed in their hands were: 1st. The Proceedings of the Fifth Annual Convention of the

Evangelical Lutheran Synod of Central Pennsylvania, held at Mifflinburg, Pa., from the 12th to the 15th of May, A. D. 1859. Your committee find nothing of importance claiming the attention of Synod.

2d. Minutes of the Fifth Annual Convention of the Evangelical Lutheran Synod of Iowa, convened in Iowa City, Iowa, May 11-16, A. D. 1859. Those Brethren are laboring amidst self-denial and deprivations in the great cause of the Redeemer, with a zeal worthy of imitation. From their reports we learn that the work of the Lord is prospering in their hands.

3d. A Journal of the Twenty-second Annual Convention of the Frankean Evangelical Lutheran Synod, convened at Orleans, Four Corners, N. Y. Your committee find only two items in this Journal that should claim the attention of this Synod, viz: An abhorrence of the evils of American slavery, and the use of ardent spirits as a beverage. As your committee believe them to be crying sins, and destructive to the advancement of the Redeemer's Kingdom, would recommend that we labor and pray for the abolition and destruction of those great evils.

Respectfully submitted.

B. F. HILLS,  
P. S. NELLIS,  
MONROE SNYDER.

The name of the President stands recorded in the negative on as much of the above report as relates to American slavery.

Parochial reports were made and recorded as usual. See Appendix.

Vacant congregations were reported as follows:

Spencerville charge.

Waterloo, Franklin, and Fairfield Churches, of De Kalb county, Indiana.

Concord congregation, of Adams county, Indiana.

Plymouth charge, of Marshall county.

Horeb and St. Paul's, of Well's county, Indiana.

Committee No. 16, presented the following report, which was received and adopted.

#### REPORT OF COMMITTEE NO. 16.

Your committee find the documents committed to them, to be—

1. A letter from Rev. G. Walker, delegate elected to represent the Wittenburg Synod at our present Synodical Convention.

Your committee regret that brother Walker could not meet with us. Your committee would recommend the reading of said letter, and that we heartily reciprocate the kindly feelings of our brethren of the Wittenburg Synod, and that a delegate be appointed to that honorable body.

2. A letter from Rev. J. G. Biddle, stating that sickness prevents his meeting with us, and a request that Synod excuse him. Your committee would move that brother Biddle be excused.

3. His parochial report. Your committee recommend that said report be read.

Submitted,

R. F. DELO,  
A. H. SCHÉRER,  
FRANCIS L. FRIEDGEN.

The letter of the delegate was read, and appropriate approving action had upon it.

Rev. J. G. Biddle was excused respecting his absence, and his parochial report received and recorded in the usual way. His request concerning the mission fund was also allowed, namely, to retain his collection and receive \$6.00 from the treasurer.

The report of Committee No. 2, was received and adopted.

### REPORT OF COMMITTEE NO. 2.

Your committee would report that the document placed in our hands for examination, is a letter from the Rev. J. Miller, a member of this Synod, in which we found the parochial report of said brother, together with one dollar to redeem his pledge of last year. Your committee rejoice to hear of the abundant labors, and great success of brother Miller, and regret that he could not meet with us in Synodical convention at this time. Your committee recommend that this letter be read before Synod, and that such action be taken as you may deem proper.

Respectfully submitted,

A. H. SCHERER,  
W. WALTMAN,  
CHARLES SMITH.

Missionary business was taken up.

The report of the travelling missionary was received and adopted.

### TRAVELING MISSIONARY'S REPORT.

Your Missionary did not enter upon his mission-work until one-half of the Synodical year had expired. He continued to supply the North Manchester field with regular preaching the first six months of the year, when Rev. P. S. Nellis arrived and took charge of those churches, which released him, and enabled him at once to enter the mission field. Thus, one-half of the latter six months has been devoted to travelling and preaching in the churches of your Synod, except the time employed in Wells county, where the organization of two churches has been effected. Horeb Lutheran Church is in ——— township, in said county, about seven miles west of Bluffton, on the north side of the Wabash river. Markle, Huntington county, Indiana, is the post office for this neighborhood. Samuel Haflich, Jacob Haflich, William Wert, and Samuel Fate, are the Elders and Deacons of this Church. This Church asks admission into your Synod, and herewith presents her constitution for your approval. The number of members is twenty-one.

St. Paul's Lutheran Church is in ——— township, on the south side of the Wabash river, about the same distance from Bluffton, and four miles from Horeb. John Lesh, John Wolfe, Jacob Farling, and Jonathan Staver compose the Council. This Church contains eighteen members. She has likewise sent her constitution to Synod for inspection, and applies for admission into the same.

Your Missionary claims for three months' services....	\$125 00
